This edition of the MPPH Health Services Directory has been updated to include information on the new Border sector (green region on the map). Even though some sections of the directory have been updated, it is currently a work in progress.

Whilst all care has been taken in collecting and arranging the material presented in this directory, please advise the editor of any errors or omissions. Further listings and additions are most welcome for inclusion in the next edition. The inclusion or absence of any service or service provider may not be interpreted as an endorsement, or failure to endorse, by the Murrumbidgee Primary Health Network
