

cpd workshop

Enhancing Paediatrics in Primary Care Workshop

Sunday 10 September 2023,
8.30am-5.00pm

CETU-MLHD Health Service Hub
Wagga Wagga Base Hospital,
Ground Floor-Lecture Theatre

REGISTER YOUR INTEREST

This inaugural education day is hosted by the Enhancing Paediatrics in Primary Care project team together with MPHn and MLHD. Please join us for an interactive day focussed on common behaviour/development concerns in early childhood- including screening, investigation tools, and resources for primary care clinicians and families.

- Developmental delay screening in primary care
- Autism screening in primary care
- Case based discussion
- Constipation in children
- Nocturnal enuresis in children
- Common micronutrient deficiencies in children
- ADHD screening in primary care
- FASD screening in primary care
- Emotional regulation in children
- Panel discussion

Accreditation

ACRRM accreditation for this event is pending.

Key speakers:

Dr Lahiru Amarasena, community paediatrician, MLHD

A/Prof. John Preddy, director of paediatrics, MLHD

Dr Vanessa Sarkozy, developmental paediatrician, Tumbatin Developmental Services, Sydney Children's Hospital, Randwick

Dr Megan Suthern, general paediatrician, Wagga Wagga Base Hospital

Dr Joshua Serov, general paediatric fellow, Wagga Wagga Base Hospital

Dr Constanze Knebel, developmental paediatrician, CICADA Centre NSW, Fetal Alcohol Spectrum Disorders (FASD) Clinic, The Children's Hospital at Westmead

In person attendance is encouraged. For those unable to make the event in person, please contact MPHn CPD coordinator at events@mphn.org.au for a videoconference link.
