Activity Consultation and Collaboration

Consultation

MPHN will coordinate consultation activities with Murrumbidgee Local Health District (MLHD) to ensure the Head to Health services are integrated into the existing mental health service system.

MPHN will utilise existing resources and stakeholders as part of consultations such as Health Needs Assessment, Clinical Councils, General Practice, Aboriginal Community Controlled Health Services, Community Advisory Committee, Local Health Advisory Committees, Community Managed Organisations (CMOs), the Murrumbidgee Mental Health Drug and Alcohol Alliance (MMHDAA), consumers, carers and the community.

MLHD, NSW Ministry of Health will have a continuing role in the governance, commissioning, and operational oversight of the Murrumbidgee Head to Health services.

Collaboration

MPHN has established joint governance and operational mechanisms with Murrumbidgee Local Health District (MLHD)

Collaboration will continue with relevant agencies to integrate Head to Health services within the Wagga and Young communities. This includes Murrumbidgee Local Health District (MLHD), Clinical Councils, General Practice, Aboriginal Community Controlled Health Services, Community Advisory Committee, Local Health Advisory Committees, Community Managed Organisations (CMOs), the Murrumbidgee Mental Health Drug and Alcohol Alliance (MMHDAA), consumers, carers and the community.

MLHD, NSW Ministry of Health will have a continuing role in the governance, commissioning, and operational oversight of the Murrumbidgee Head to Health services.

2023-24 BL-101 - Universal Aftercare Services

Existing, Modified or New Activity *

New Activity

Activity Priorities and Description

Program Key Priority Area *

Mental Health Priority Area 5: Community based suicide prevention activities

Other Program Key Priority Area Description

Aim of Activity *

This activity aims to support the continuation and expansion of aftercare services previously delivered as Beyond Blue's The Way Back Support Service (TWBSS). Aftercare services provide support to people following a suicide attempt and/or suicidal crisis.

Description of Activity *

Elevator Pitch:

Universal aftercare services available for people living in the Murrumbidgee region following a suicide attempt and/or suicidal crisis.

Outcome:

People in the Murrumbidgee region have access to supports following a suicide attempt and/or suicidal crisis. The expansion of this activity will enable service model improvements in line with the Principles of Good Aftercare (currently in draft form) as well increasing accessibility and other improvements such as meeting the needs of identified priority population groups, collaboration with people with lived and living experience and building workforce competency.

Needs Assessment Priorities *

Needs Assessment

Priorities

Priority	Page reference
MH2 Reduction of prevalence, incidence, mortality and or morbidity and identified by community consultations for; suicide and intentional self-harm	48
P22 Reduction of prevalence, incidence, mortality and or morbidity and high use of services in ED or hospital for Injury, poisoning and other external causes	46
MH1 Reduction of prevalence, incidence, mortality and or morbidity and high use of services in ED or hospital and identified by community consultations for; mental health conditions including social i	47
P12 Reduce ED presentations and admissions for PPH	44
P9 Improve poor health literacy due to less education or lack of internet access	43
P8 Increase access to services impacted by limitations for fee-based healthcare services	43

Activity Demographics

Target Population Cohort

All Murrumbidgee residents who have had a suicide attempt or experience a suicidal crisis, excluding Albury LGA. MPH N will work in partnership with the Murrumbidgee Local Health District (MLHD), Albury Wodonga Health (AWH) and referring services to improve, enhance and expand the current model.

Improvements, enhancements, and expansion of the model will be subject to joint approval from the Commonwealth and NSW Ministry of Health.

Activity Priorities and Description

Program Key Priority Area *

Mental Health Priority Area 2: Child and youth mental health services

Other Program Key Priority Area Description

Aim of Activity *

This activity is aiming to improve the attraction and retention of a multidisciplinary workforce in headspace centres and increasing access to care for young people who choose to engage with headspace Griffith in the Murrumbidgee region. The activity aims to enhance the capacity of headspace Griffith services to respond to local need in alignment with the headspace model.

Description of Activity *

Elevator Pitch:

Increase access for young people at headspace Griffith through increased funding and supporting the attraction and retention of the multidisciplinary workforce.

Outcomes:

Outcome 1: improve workforce attraction and retention at headspace Griffith.

Outcome 2: Increase access and reduce wait times for young people through a coordinated multidisciplinary approach
